programs!**

Check out our **video's** on our website at <http://theoriginalblock.com> and see more ways you can use the original block in your gym so you can **save money** and see improved strength in your students in as little as one week~

## Here is what one of our Industry Leaders is saying:

"The Original Block is a great innovative piece of equipment that is perfect for preschoolers! It's better than the cartwheel mat, because it gives the student the height and time to kick their leg under their body and stand up. This will really give the new kids in your program the self-confidence boost they need to succeed!" Patti Komara/  
Patti Komara's Tumblebear Gym Program

\* **You MUST enter in the coupon code to receive the discount on your order.** Blocks will be shipped in 1-2 weeks from the order date.
